

Dear 6<sup>th</sup> grade families,  
Fall, and 6<sup>th</sup> grade will be here before you know it. Now is the time to schedule your health appointments for your future 6<sup>th</sup> grader. I have attached all forms that you will need and a checklist to make sure everything is completed. Please make sure these forms are signed and completed before the start of school this Fall. Please note, **if your child requires a “Sports Physical”, please use the attached form.** The “IHSA Sports Physical” form will **not** be accepted as the 6<sup>th</sup> grade physical, but the attached physical form will be accepted as a “Sports Physical”.

Sincerely,

Sue Barker  
Health Compliance Coordinator
