

Tickets and Rewards

Students receive RESPECT tickets when they are seen displaying positive behaviors in school. Students can earn these tickets from staff members, substitute teachers, and from their bus drivers. The student signs his/her name on the bottom of the ticket. This year the tickets are collected in the classroom during the month.

CELebration Ticket Lottery

On the day of the CELebration, tickets for the K - 4 students will be combined in a large bag for the ticket lottery. There will be 29 tickets drawn out of each bag. Students names may be drawn more than once so the more tickets they have the better their chances. The lucky winners will get to choose a prize from the lottery board.

Classroom Bingo

Each classroom has a bingo board on which students get to sign their names for completing an assignment. The teachers decide how often their students get to sign their names. On Mondays student council announces a bingo letter and number, all students with their name in that square get a small prize to choose from.
