Anyone who would like to address the Board may do so by doing one of the items below.

1. Calling 217-732-4136 and leaving up to a three-minute voicemail message. Messages must be left by 3:00 PM on the day of the meeting. Please leave your name and address on the message so that the administration may follow up if necessary. Messages will be subsequently reviewed to ensure that they are appropriate for a public presentation (e.g., no profanity).
2. Addressing the Board during the meeting. We ask that you have your comment prepared in advance and comply with a one-minute time limit. The public may only make statements, not ask the Board of Education questions directly since the Board does not act as individuals but a whole.
